

## ***Producteers opens new factory in Shanghai***

In order to support better its customer Producteers has decided to expands its operation with a manufacturing plant in China. Most products today be produced by sub-supplier will now gradually be in-sourced into Producteers own facility located on

*3F, Building A, Fengdeng Road 615, Jiading District,  
201818 Shanghai, China*

The new factory is located in the North West part of Shanghai in Jiading District and centrally located only 30 minutes from HongQiao airport.

With the new large factory we believe we will have much better possibility to make innovative quality products for our customers and fulfilling our mission of “Supplying the most innovative products for our customers brand”.

*Manufacturing & Office building - 2nd floor*

*Office Area*

*Assembly line*

We warmly welcome you to visit our new factory.

***Yours sincerely***

***Producteers Management Team  
(Sam, Anne Mette and Holger)***
